

Frankston Environmental Friends Network (FEFN)

Lifestyle Capital of Victoria

The Frankston Environmental Friends Network embraces and supports a variety of groups who give their time to do practical hands-on work within our Reserves and on private land, wildlife rescue, beach clean ups, advocacy and environmental education.

VOLUNTEER FRIENDS GROUPS

Members of the following groups undertake regular working bees within the Parks and Bushland Reserves across Frankston City.

To volunteer see contact details and working bee times below.
