Don't trash Frankston

- Clear your clutter
- Offload your recyclables
- Reclaim your space

Don't risk a hefty fine for illegally dumping rubbish. Many items are accepted free-of-charge or for a low cost, with most customers spending an average of \$30 a visit.

Offering the cheapest disposal rates in the region, plus a clean, safe and user-friendly site, isn't it time you checked out the Frankston Regional Recycling and Recovery Centre?

More than half of items taken to FRRRC are recycled, including items for sale at the on-site recycled goods shop.

FRRRC is great value
