Waste and recycling service guide

Frankston City Council provides a range of waste and recycling services for local residents, including:

- Kerbside garbage (collected weekly) and recycling (collected fortnightly)
- Green waste (optional, collected fortnightly)
- Additional garbage, recycling and green waste bins available for an extra charge
- Eligible residents can apply for an additional recycling bin, free of charge
- Hard waste collection
- Frankston Regional Recycling and Recovery Centre (local transfer centre)

**Hard Waste**
Council provides a hard waste and bundled green waste collection service through WM Waste Management. For a list of accepted items and for more information, visit: frankston.vic.gov.au

**Frankston Regional Recycling and Recovery Centre**
The Frankston Regional Recycling and Recovery Centre (FRRRC) accepts a range of items, many for free. Residents receive a discount on hard waste gate entry fees.

Address: 20 Harold Road, Skye
Opening hours: Monday to Sunday 8am-4pm, closed Good Friday and Christmas Day.

**Other waste and recycling services**

**STEP 3: Garbage**
Most items that can’t go in your recycling or green waste bin go in your garbage bin, unless they can be recycled in other ways (see ‘Other waste and recycling services’ below).

Rubbish, food scraps, nappies and polystyrene

**Bin collection days**
Find out when your bins are collected.
Visit: frankston.vic.gov.au and search ‘My Address’

**Detox your Home – household chemical collection**
Many household chemicals can be safely disposed of at Frankston City’s annual Detox your Home collection. For dates and chemicals accepted, visit: sustainability.vic.gov.au/detoxyourhome or phone: 1300 363 744

**Donate to charity**
Donate your quality, unwanted goods to charity, e.g. clothing, furniture, books and homewares. Visit: nacro.org.au/donating-your-goods or your phone directory.

**Other recycling options**

STEP 1: Recycle right

**These items go in your recycling bin:**

- Steel pots and pans
- Glass bottles and jars
- Steel and aluminium cans, aerosol cans, foil and trays
- All hard plastic containers (whether or not they have a recycling code)
- Paper and cardboard
- Glass bottles and jars

*All items must be clean of food waste and liquids.*

**These items are considered contaminants and MUST NOT go in your recycling bin:**

- NO clothing or textiles
- NO household rubbish
- NO polystyrene foam
- NO plastic bags or other scrunchable plastics (even if they have a recycling code) — they can be recycled in other ways
- NO bagged recyclables
- NO nappies

*If in doubt, leave it out.*

Please refer to the recycling guide sticker under your bin lid. If you don’t have one, please contact Solo Resource Recovery. Phone: **9775 1909.**

Council inspects the contents of recycling bins. If your bin is contaminated, it won’t be collected until the contaminants have been removed.

**STEP 2: Green is good**

**These items go in your green waste bin:**

- Grass clippings
- Garden prunings
- Leaves
- Small branches
- Plants, including weeds (e.g. blackberries)
- (maximum size 10 cm diameter x 30 cm length)

**These items MUST NOT go in your green waste bin:**

- NO garbage or recyclables
- NO plant pots
- NO plastic bags or food scraps
- NO bricks, rubble, soil or turf

*These items are considered contaminants and MUST NOT go in your recycling bin:*
