To enquire about the best support for your needs and to arrange services:

People aged 65 and over and Aboriginal and Torres Strait Islanders aged over 50 will need to register with My Aged Care for the Commonwealth Home Support Programme (CHSP).

The helpful staff at My Aged Care will discuss your eligibility and needs and will arrange a Home Support Assessment in your home to determine support services to help you reach your goals.

If you choose Frankston City Council as your provider a Team Leader will then contact you to discuss your needs and priorities and arrange services.
