

1. Purpose

The purpose of this document is to provide Frankston City Council with a framework to manage residential foreshore parking for the benefit of the whole community and road users. It provides guidance for the issue of Residential Foreshore Parking Permits.

This document sets out the approach, tools, principles and procedures that Council will follow in order to manage foreshore parking to ensure consistent, equitable and transparent outcomes.

2. Scope

- Provide a framework to manage foreshore parking to satisfy the needs of the community
- Promote a safe, accessible and sustainable road & parking environment for all users
- Ensure foreshore parking improves community safety, amenity and economic activity

3. Background

Foreshore Parking Permits take into account the demand for access to the beach and balances the value for residents and ratepayers and a reasonable contribution for people outside the municipality to visit our foreshore. These experiences enable healthy activity which benefits both the community and the economy.

At the Frankston City Council Meeting held on 11 May 2020 Council resolved:

1. Notes the current Foreshore Parking Permits expire in September 2020;
2. Adopts a “by application” process whereby 2 permits are issued to rate payers, other than commercial property owners, and tenants;
3. Notes additional permits can be purchased with a maximum of 5 allocated per property dependant on the amount of vehicles at the property and permits can be applied for online; and
4. Notes names and addresses will be recorded.

4. General Conditions

- A Residential Foreshore Parking Permit allows the vehicle to park free-of-charge at Frankston City Council's foreshore car parks for the time limit specified on the car park entry signs. Permits do not guarantee the availability of a parking space to the permit holder or allow all day parking
- Residential Foreshore Parking Permits will only be issued to Frankston City residential ratepayers or a registered tenant of a residential property who has completed an application form
- Residential rate payers receive a 3-year permit; residential tenants receive a 1-year permit.
- Non rate payers of Frankston City are not able to purchase a Residential Foreshore Parking permit
- Ratepayers of commercial properties are not eligible for a Residential Foreshore Parking Permit
- Residential Foreshore Parking Permits are not to be transferred to persons or vehicles not listed on the application form
- Ratepayers will receive the first two permits free, additional permits are available for a fee (see fees and charges) a maximum of 3 additional permits can be applied for
- Residential tenants are eligible for Foreshore Parking Permits (a maximum of 2 permits applies). Residential tenant permits are valid for 1 Year
- Residential Foreshore Parking Permits must be affixed to the lower left corner of the front windscreen and must be clearly visible from the outside of the vehicle. Permits not attached to the window will not be seen to be conforming to the requirements of the permit and will be considered invalid. Parking infringement notices may not be withdrawn if a permit is not correctly displayed
- Residential Foreshore Parking Permits are not valid in any other location and do not allow the holder to park in prohibited spaces such as Loading Zones, Disability Parking bays and No Stopping areas. Vehicles must park in marked bays only
- Permits remain the property of Frankston City Council and Council reserves the right to withdraw the permit at its discretion
- The use of parking spaces or permits may be suspended by members of the Victoria Police and/or by an authorised officer of the council
- Permits must not be copied, reproduced or tampered with, residential tenants are required to provide the registration of the vehicle that the permit applies to. The registration will be printed on to the issued permit and is not be transferable
- All permits issued will be registered against the permit holder's residential address in Council's corporate systems

Guideline: Foreshore Parking Permits - A4225363	Date approved by Council: 11 May 2020
Author: Jarred Stevens – Coordinator - Safer Communities	Last revision: September 2022

5. Eligibility

To be eligible to receive a Residential Foreshore Parking Permit an applicant must:

- Be a residential rate payer of Frankston City
- If a tenant residing in Frankston City, produce evidence of residency in the form of a current Drivers Licence, utility bill (not a mobile telephone), or residential lease agreement
- Have an applicable vehicle(s), which is not a boat, bus, trailer, truck, caravan or motorcycle
- Apply for a Foreshore Parking Permit using a Council approved application process / form

6. Fees and Charges

- **Ratepayer** first two permits free – \$83 for additional permits with a maximum of 3 additional permits per address (3 Year Permit)
- **Tenant** – two permits free per address upon application with proof of residency (1 Year Permit)
- **Replacement** fee – \$61 per permit

(Above fees are current for financial year 2022–2023, for current fees and charges please refer to www.frankston.vic.gov.au)
