Disability RESPITE SERVICES

for children in Frankston City

A guide for carers of children with a disability

Frankston residents are able to access a range of respite services to suit individual needs of children with a disability and their carers.

This leaflet provides information on respite services, school holiday activities and after school care.

In-home care

Respite care can be provided in your home, this can include personal care or home help. In-home respite is usually provided for a few hours and can be arranged overnight.
