Frankies Café, located within Frankston South Community and Recreation Centre, will deliver a 6-week Adult, Community and Further Education funded barista program to young people.

The class will consist of between 6 to 8 young people, and will be delivered by a trainer/youth worker.

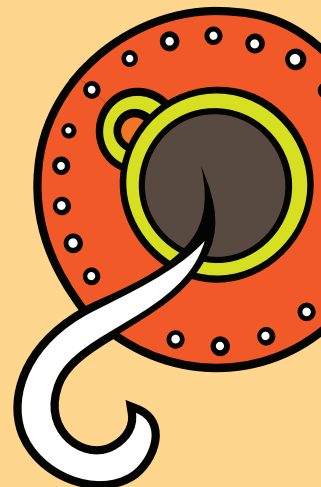

Coffee Creators is a practical Barista course designed to prepare people for work or training in the Hospitality industry.

Under the direction of industry professional trainers, young people will learn to create different coffees that are commonly served in cafes around Australia, and necessities such as grinding techniques, milk texturing and much more.

Training includes:

- Learning about the history of coffee
- Preparing a range of espresso coffees
- Texturing milk correctly
- Coffee machine operation
- How to make each coffee on the menu
- Coffee presentation
- Using and setting the coffee grinder
- Cleaning and maintenance of equipment
- Industry guest speakers and industry visits
- Job readiness, and pathways into work

Upon successful completion of this training, participants may pathway into employment lead-ins, and may obtain positions available via links to our employer networks and programs.
