SCHOOL BASED PROGRAMS

Frankston Youth Services offer a range of FREE programs to all schools in the Frankston municipality. Programs can be tailored to meet the needs of your school or can be offered as pre-packaged programs. If you would like a program to be tailored to your school's needs please contact Frankston Youth Services to discuss your options.

GRADE 6 TRANSITION

Audience

Grade 6 students

Setting

Single session delivery per class
In person or Online

This program aims to assist young people with the transition from Primary to Secondary school through exploration of strengths, support people and opportunities available to them throughout their high school experience. The importance of seeking support and the idea of Year 7 as a time for exploration and discovery are discussed. This program can be tailored to your school's specific needs.

THE WHAT PROGRAM

Audience

Students

Setting

Tailored session delivered
In person or Online

The 'WHAT Program' aims to empower students by exploring various topics and opportunities, connecting them to community, and raising awareness of local programs, events, and support services that allow them to pursue their passions and aspirations, while providing ongoing support in response to current challenges and needs. This is done through engaging and interactive workshops, with the ability to tailor sessions to the specific student needs identified by the school and their young people. This targeted approach will ensure sessions are purposeful, relevant, and engaging regardless of year level and specific cohort needs.

THE WHAT BUS

Audience

Students

The 'What Bus' is used for youth outreach within all Frankston LGAs and can also be hired out for outreach opportunities that align with Frankston Youth Services' core purpose in providing support and engagement for young people within the Frankston Municipality.

Hire The 'What Bus' for events, school or community wellbeing days, open days, sports days, festivals, youth/student recognition events and more.

INFORMATION SESSIONS

Audience
