

BOOKING INFORMATION

Please be aware of the level of supervision associated with each program before booking.

If your young person requires constant supervision, programs marked Partial Supervision may not be suitable.

Please contact Youth Services if you wish to discuss the specific needs of your young person.

No Supervision

This level of supervision means that this is a program where Frankston Youth Service do not provide supervision for attendees.

Full Supervision

This level of supervision ensures that young people will be under constant supervision during a program.

Partial Supervision

This level of supervision means your young person is able to leave the supervision of Youth Workers and be responsible for returning to a designated location at a specific time.

Frankston Youth Service aims to be as inclusive and accessible as possible.

Bookings are essential due to limited spaces.

Refunds/credit are given only if the young person can't attend and can present a medical certificate or if the activity is cancelled by the organisation.
