BOOKING FORM FOR EXTERNAL HIRERS

ABOUT THE WHAT BUS:

Frankston Youth Services “**WHAT Bus**” is a fantastic new resource owned by Frankston City Council! The bus travels around to different areas in Frankston City such as the Frankston Foreshore, Carrum Downs Skate Park, Gateway Shopping Centre Langwarrin, and many other youth hotspots. On board the bus are consoles for gaming; Nintendo Switch, Uno and plenty more. The bus also features laptops, desks, and iPads for young people to work on resumes, do homework and make use of the free internet access. There are heaps of giveaways, competitions and prizes; Frankston Youth Service Instagram and Facebook pages are a great way to keep up to date! (@FrankstonYouthService)

VIABILITY FOR HIRE:

Although the “**WHAT Bus**” is primarily designed as a Council asset for use by Frankston City Council staff; the Bus is now looking into partnering with other service organisations to support and connect young people to their local community as well as local traders. This means that the bus can be hired out for projects and/or outreach opportunities that align with *Frankston Youth Services’* core purpose as an extra layer of support for young people within the Frankston Municipality.

Projects must meet some or all of the following requirements:

- Available to community organisations, charitable organisations, not-for-profits, schools, community groups
- Program/Event/Project that engages young people aged 12-24 and offers some level of support
- Linked to Frankston City Council Youth Services, Local Community Centres and/or Neighbourhood House
- Engages young people in their community and increase community connectedness, vibrancy and health and wellbeing

Hirers must provide a copy of their Public Liability Insurance and the bus must ONLY be used for the specified program. They are restricted for use within Frankston City municipality, except in circumstances with express permission from Frankston City Council.

BOOKINGS:

Contact the Youth Services team on **9768 1366** between 9am-5pm Monday to Friday to check if your request is eligible before completing the booking on the following page.

Alternatively you can email your request directly to:

youthservices.whatbus@frankston.vic.gov.au
with this form attached, and a member of the Youth Services team will contact you back.

Please note: A Youth Worker who also serves as driver will be provided by Frankston City Council Youth Services. More Council Youth Workers may be provided in accordance with the need and availability of staff.

A list of optional extras can be found on page 4. Please tick boxes to advise which of these you would like provided at your event.
