Waste Wise Events

Information for vendors and stallholders

Lifestyle Capital of Victoria

Reducing waste is important to help lessen litter, protect our environment and meet public expectations.

Frankston City Council has adopted a Waste Wise Events Policy to help minimise waste and litter at events.

Vendors and stallholders are encouraged to adhere to this policy before it comes into full effect on **2 September 2020**.

Under the new Policy:

No plastic shopping bags
(including showbags)

Waste must be disposed of
correctly (as per signage)

No polystyrene food and
beverage packaging

Recycling must be disposed
of in the recycling bins
provided or taken home
for correct disposal

No balloons at outdoor
events

The site must be left free
from litter

Disposable straws must be
kept out of the customers'
line of sight and only provided
when requested

Any packaging distributed
must be recyclable via
the event waste collection
service, wherever possible

You can reduce waste and litter by avoiding single-use items.
