

HARD WASTE

GREEN WASTE

RECYCLING

Sort your waste and save

Sorting and separating your load of waste before you arrive makes it easy to identify what's recyclable and will save you money at the gate.

FRRRC is great value

FRRRC can accept some of the items not accepted in the hard waste collection such as tyres, paint and building materials. Some item charges may apply.

Items we accept for free include: paint, e-waste and scrap metal.

See the full list at FRRRC.com.au

Phone 1300 322 322

FRRRC is not a landfill site. No food, liquid or hazardous waste accepted.

Other recycling and disposal options

Hard Waste Collection Step-by-step guide

1

Put out the correct materials

- ✓ Items with a tick are accepted
- ✗ Items with a cross will not be collected

2

Stick to size limits

- Maximum **two cubic metres** of waste in total will be collected — more than this will be considered illegal dumping (2mt x 1mt x 1mt)

3

Keep your stacks neat on the nature strip

- Waste must be placed in **five** neat stacks
- Stacks will be collected by different trucks, possibly on different days
- **Allow clear access:** leave two metres between your hard waste and your garbage/recycling bins

4

Make sure your waste is out on time

- Place items out no earlier than the Saturday two days before your collection week and no later than **6am** on the Monday of your collection week

5

Report scavengers

- Unauthorised removal of hard waste from nature strips is theft. Please report scavengers to 1300 322 322

6

Your waste is your responsibility

- Any excess waste or items not accepted will have to be removed by you, otherwise illegal dumping fines may apply

Hard Waste Collection 2025

Collections are available for Frankston City households

Council is enforcing strict hard waste rules:

- Total material should not exceed two cubic metres
- Any excess waste or items not accepted will have to be removed by you
- Items placed out early or left on the nature strip after the collection will be considered illegal dumping and may incur a fine
- Hefty penalties apply with fines starting at \$200

All material must be out on your nature strip by **6am** on the Monday of your collection week

Place items out on your nature strip no earlier than Saturday two days before your collection week.

If not out in time, a return visit will not be made.

Stacks will be collected by different trucks, possibly on different days during your collection week.

YES These items are accepted

- No more than **two** cubic metres in total
- Neatly place your items in **five** separate stacks on the nature strip
- Present your hard waste correctly to allow goods to be recycled
- Five separate collection vehicles will visit your street

NO These items will not be collected

Hard waste

Hard waste ends up in landfill, so please recycle as much as you can before deciding to place it on the nature strip for collection.

- Household furniture, clothing, toys
- Carpet rolls up to 1.5 metres long
- Timber up to 1.5 metres long, 12 pieces maximum
- Mirrors up to 1.5 metres long, glass and crockery: securely wrapped and marked 'fragile'

Scrap metal and whitegoods*

- Scrap metal, corrugated iron, empty tins (remove lids)
- Whitegoods including washing machines and dryers
- Lawn mowers (petrol drained), tools, small car parts (no engine blocks)
- Hot water systems, baths
- DVD players, stereos, VCRs, games consoles
- Corded power tools

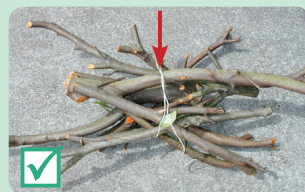

E-waste and fridges*

- TVs and computers
- Printers, keyboards, computer mice
- Refrigerators and freezers (remove doors for safety)
- Small electrical items: kettles, hair dryers

Green waste*

- All green waste must be **tied into bundles** with string (not rope, wire or plastic)
- Branches up to 15 cm in diameter
- Tree stumps, weighing no more than 30kg.
- Bundles should be no longer than 1.5 metres and one person must be able to lift to shoulder height

Mattresses*

- No more than **two** mattresses or bed bases

- **No** tyres, wheels or car batteries
- **No** renovation, building or demolition materials, fencing, rocks, rubble, soil, bricks or concrete
- **No** dangerous goods (e.g. paints, oils, poisons or pool chemicals)
- **No** hazardous waste or medical waste (e.g. asbestos, cement sheeting or sharps)
- **No** gas bottles, fuel tanks, water tanks or solar panels
- **No** unwrapped glass
- **No** household garbage or food waste
- **No** recyclables suitable for household recycling bins
- **No** untied green waste or green waste in plastic bags
- **No** waste from industrial and commercial premises and businesses operated from home
- **No** basketball rings, stands or bases
- **No** bean bags
- **No** items too heavy for two people to lift safely or more than 1.5 metres long

Place items out **no earlier** than the Saturday two days before your collection week — any earlier and you risk being fined for illegal dumping

* Items from stacks with a green asterisk will be recycled.
