About Us

Frankston South Community and Recreation Centre (FSCRC) is a vibrant and welcoming Frankston City Council run facility that aims to support and improve our community by providing a safe and inclusive place promoting social connection, skill development, health and wellbeing.

FSCRC works with the local community to develop and flexibly deliver inclusive activities and programs that build upon and strengthen, people's interests, skills and talents.

In order to best achieve this, FSCRC applies a community development approach and works in partnership with Learn Local. Our Learn Local programs, funded by the State Government of Victoria through the Adult Community and Further Education (ACFE) program, are designed to get people job-ready by upskilling and building real-life experience and confidence.

Our hospitality and barista courses are held at our Frankie's Cafe giving learners hands-on work experience in an operational cafe.

Cafe Creations: Hospitality Training

Looking to kickstart your career in hospitality? Our Café Creations course is designed to equip you with entry-level skills for the hospitality industry. Throughout the program, you will gain:
