

Australia's Most Accessible Beach, Frankston

Booking System - Privacy Statement

Frankston City Council is committed to protecting your privacy. Council has engaged Accessible Beaches Australia to deliver the pilot accessible beach program. Information collected via the booking system will be held by Council and made available to Accessible Beaches Australia to deliver the program and liaise with you about your booking. Your information will only be used and shared as authorised by law. For more detail about how Council handles and protects personal and health information, or to access your information, see Council's privacy policy at www.frankston.vic.gov.au or contact Council's privacy officer on 1300 322 322. For more information about how Accessible Beaches Australia manages personal and health information see www.accessiblebeaches.com.
