WHATS HAPPENING?

The entire stretch of the Clarendon Street frontage within the Frankston Memorial Park will have trees removed due to their poor condition / ill health.

The scope of works includes:

- Preliminaries including Dial Before You Dig (DBYD), service location, traffic/pedestrian management and site establishment,
- Tree Removal Works covering 146 lineal metres undertaken from the road reserve,
- Disposal of all removed tree material,
- Stumps and clean up to be undertaken from within the cemetery grounds,
- Reinstatement to satisfaction of the Project Manager.

WHEN?

- Late March 2027 to April 2027, between the hours of 7:00am and 4:00pm, weather permitting.

DISRUPTIONS / VISITOR INFORMATION

- **The Memorial Park will remain open to visitors** during the works and traffic controllers will be on-site from Late March 2027 to April 2027 to guide visitors safely around the works zone.
- There will be minor delays and restricted access at times to certain areas of the cemetery, so please allow some extra time when visiting.
- Unfortunately, there will be loud noise whilst machines are in operation, which is unavoidable however, disruptions will be minimised as much as possible.
- A notification will also be provided on Council's website.
