Railway Parade, Seaford
Local shopping strip upgrade

Council is preparing to upgrade the local shopping strip on Railway Parade in Seaford.

The shopping strip is identified as a high priority for streetscape improvement in Council's Frankston Local Shopping Strip Action.

The project will address key improvement opportunities and objectives outlined in the Frankston Local Shopping Strip Action Plan, including:

- Providing a safe, pedestrian-friendly environment that is easy to access and move through
- Creating an attractive shopping strip that looks and feels safe and welcoming and encourages people to visit
- Planting new canopy trees to provide shade and amenity
- Ensuring safe vehicle movement and access through the shopping strip

The works will include:

- Replacement of the existing asphalt with new paving
- New tree outstands and garden beds with landscaping
- New street furniture including seats, bins and bicycle stands

For Concept Plans please see attached.

Construction

Commencing in April 2027
with completion July 2027
