What if I need to change my appointment?

If your child is unable to attend their appointment please call 1800 675 398.

At home vaccinations

There is also the option to have your child vaccinated at home if they have a disability or special requirements. Phone the Peninsula Health Disability Liaison Team on 0434 819 268 or email: **disabilityliaison@phcn.vic.gov.au**

Can I bring my service/support animal to my vaccination appointment?

Yes, service and support animals are permitted to come with you to your appointment.

What if my child feels unwell after their vaccination?

Some people experience minor side effects a couple of days after their vaccine. If you are worried about your child's symptoms contact your GP.

Call 000 only if you are experiencing severe symptoms or having an allergic reaction.

How many doses will my child require to be fully vaccinated?

Your child will require two separate doses, eight weeks apart, to be fully vaccinated.

Let's help to keep our kids safe from COVID-19

Vaccination against COVID-19 is free for everyone in Australia and the best way to keep our community safe, protected and open for business.

Vaccines are highly effective in protecting against severe illness, hospitalisation and death from COVID-19.

It's important to get your child vaccinated as soon as possible

Visit: **health.gov.au**

Call: **1800 675 398.** Press 0 for an interpreter

You can book a vaccine appointment at a participating doctor's clinic, pharmacy or community health service through the vaccine clinic finder: **covid-vaccine.healthdirect.gov.au**

Have questions about COVID-19 vaccination?

If you have questions about getting your child vaccinated or they have a pre-existing medical condition, speak to your GP. Your doctor is the best person to answer questions about COVID-19 vaccines, current medications and your child's health.

Frankston Community Vaccination Hub

Peninsula Health has opened a community vaccination clinic in the heart of Frankston to service local and surrounding communities with their COVID-19 vaccinations. This now includes a designated paediatric vaccination area.

Where is the clinic located?

Level 1, Balmoral building, Bayside Centre. Enter at the corner of Shannon and Station Street Malls and take the escalator/lift to Level 1.

What are the clinic's opening hours?

Mon to Wed, Sat to Sun 9:30am–5pm
Thurs to Fri 11:30am–7pm

Do I have to book a vaccination appointment?

You can book an appointment for your child or alternatively the Frankston Community Vaccination Hub accepts walk-ins.
