# It's our best shot at beating COVID-19

Vaccination against COVID-19 is free for everyone in Australia and the best way to keep our community safe, protected and open for business.

Pfizer and AstraZeneca vaccines are available in Australia and highly effective in protecting against severe illness, hospitalisation and death from COVID-19.

**It's important to get vaccinated as soon as it's your turn**

**How do I check if it's my turn?**

Visit: **health.gov.au**

Call: **1800 675 398.** Press 0 for an interpreter

If you are eligible, you will be able to make a booking at a clinic right for you.

**We're here to help**

*Frankston City*

**Have a pre-existing medical condition or have questions about COVID-19 vaccination?**

If you have a pre-existing medical condition and/or disability, or have questions about getting vaccinated, speak to your GP before making a booking. Your doctor is the best person to answer all your questions about COVID-19 vaccines, current medications and your health.

**Frankston Community Vaccination Hub**

Peninsula Health has opened a community vaccination clinic in the heart of Frankston to service local and surrounding communities with their COVID-19 vaccinations.

**COVID-19 VACCINATION**

**Safe. Effective. Free.**

*Frankston City*

### Where is the clinic located?

Level 1, Balmoral building, Bayside Centre. Enter at the corner of Shannon and Station Street Malls and take the escalator/lift to Level 1.

### Is there disability access to the clinic?

Yes, there is a lift located next to the escalators.

### Where is the best place to park?

Enter the undercover carpark via Olsen St (off Beach St) or Balmoral St (off Young St). Parking is free for people being vaccinated.

### Can I get to the clinic by public transport?

Yes, Frankston Train Station is located 200m from the clinic. Exit the station onto Young St and walk down Station Street Mall to the clinic entrance.

### What are the clinic's opening hours?

Mon to Wed, Sat to Sun 9:30am–5pm
Thurs to Fri 11:30am–7pm

### Do I have to book a vaccination appointment?

Bookings are essential for both Pfizer and AstraZeneca vaccinations.

### What if I need to change my appointment?

If you are unable to attend your appointment please call 1800 675 398.

### What if I'm feeling sick/have symptoms?

If you are feeling unwell/experiencing COVID-19 symptoms, please call 1800 675 398, get tested and isolate until you receive your test results.

### What should I bring to my vaccination appointment?

Please bring your Medicare Card/Individual healthcare identifier, Driver's License/photo id.

### Can I bring my service/support animal to my vaccination appointment?

Yes, service and support animals are permitted to come with you to your appointment.

### What if I feel unwell after my vaccination?

Some people experience minor side effects a couple of days after their vaccine. If you are worried about your symptoms contact your GP.

Call 000 only if you are experiencing severe symptoms or having an allergic reaction.

### How many doses will I require to be fully vaccinated?

You will require two separate doses to be fully vaccinated, so it's important for you to attend your second appointment when it's due.
